

Results Driven Recruiting for the Retirement Services & Employee Benefits Industry

Who we are

Weaver Partners is one of the only ASPPA, IFEBP, SHRM & NAPS affiliated recruiting firms focused on placing professionals in the Retirement Services and Employee Benefits industry.

What we offer

Offering retained, contingency, and contained search options for our clients who have a variety of hiring needs and budgets.

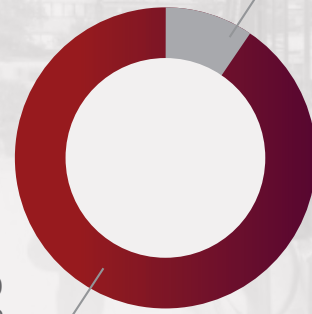

Our clients include

TPA's, Recordkeepers, Providers, Public Accounting firms, Consulting firms, Insurance companies, and Corporate HR/Plan Sponsors.

90% of hireable candidates don't use job boards...

What percentage are you attracting?

90%
Percentage of the workforce who is passive, not actively looking, but listening to recruiters.

10%
Percentage of workforce always looking.

Putting qualified candidates on your radar

For close to two decades, Weaver Partners has focused on building a national network of professionals in the Employee Benefits and Retirement Services space. We develop and maintain long standing relationships with the 90% population of “passive” candidates in the workforce who don't apply to online job postings. Which demographic do you want to add to in your company? The 10% who always are looking, or the 90% who never do?
